			VISCOSITY METER <i>THREE YEARS WARRANTY FROM MANUFACTURER</i> <i>Includes Commissioning, Start-up and Training by an ANTON PAAR's Certified Technician</i>		
1	1	Pc	SVM 3001 STABINGER VISCOMETER, ANTON PAAR PN 105001 The SVM™ 3001 Stabinger Viscometer™ is optimized for fast heating and cooling over a wide temperature range. It measures the dynamic viscosity according to ASTM D7042 . From these result, the viscometer automatically calculates the kinematic viscosity and delivers measurement results which are equivalent to ISO 3104 or ASTM D445 . One viscosity measuring cell (modified Couette principle) and one oscillating U-tube density cell cover the entire measuring range. SVM™ 3001 is designed for measuring liquid, mainly oily samples. Optionally, SVM™ 3001 can be connected to an automatic sample changer (Xsample™). Depending on the Xsample™ model, the Xsample™ is inserted into the slot on the right hand side or placed on top of or beside the SVM™. Comes with: • 1 pc. Power cord • 1 pc. 2	1	Pc	AUTOMATIC SAMPLE CHANGER XSAMPLE 630 INCL. 36 POS/12 mL SVM, ANTON PAAR PN 186212 XSAMPLE 630 INCL. 36 POS/12 mL SVM The fully automatic sample changer for DMA performs measurements of high viscous or even waxy samples at temperatures of up to 95°C. With three cleaning agents a great variety of samples can be drained out of the measuring system without manual interaction. The heated magazine has a capacity of 36 samples. Xsample™ 630 electrically heats highly viscous samples (e.g. waxes or residual fuels) up to 95 °C (203 °F) to decrease their viscosity. Under pressure, it then fills the samples automatically from sample vials into the measuring cell(s) of the master instrument. Different filling modes available to suit varying applications. After each measurement, Xsample™ 630 automatically rinses and cleans the measuring cell(s) with up to two rinsing liquids, and subsequently dries the cell(s). The magazine holds 36 vials with a volume of 12 mL. Comes with: •1 pc. Power cord •1 pc. ACCESSORY KIT SVM™ •1 SVM™ M™ Instruction Manual •2 pcs.
